MCC INDIANS BOOSTERS, INC.

These are Exciting times at the Event Center!! The MCC Indians Boosters Club, Inc. celebrates 20 years, and the College itself celebrates 90 years this fall!!! Let me take a moment to celebrate the academic and athletic excellence of this past year. The Lady Indians Basketball team had a record setting season 29-4 with seven members earning a 4.0 GPA. The Softball team set several records and was very successful in the classroom as well, The Men's Basketball Head Coach was named Co-Coach of the year, and they won the conference title. The Baseball team was successful on and off the court with their winning season and completing community service projects. The golf team qualified for Nationals in Florida. Over 50 MCC Athletes earned a spot on their respective Academic All-Region or All American or All-Conference teams!!!

Please join me in applauding all of our outstanding student athletes, as well as the coaches, mentors, parents and adopted athlete parents who have guided and supported them in their athletic and academic pursuits.

As we look forward to the 2016-17 year, we welcome 3 new head coaches to the program. On behalf of the MCC Boosters, I say THANK YOU. Thank you for your financial support of MCC athletics, and giving the Athletes and Coaches the best opportunity to compete, thrive and become upstanding, productive young adults. As you enjoy the profiles of our coaches, teams and players in this guide, please take the time to view the list of our very generous sponsors and let them know that you are thankful for the assistance to MCC athletics. Coach Jon Olsen is entering his tenth season as head baseball coach at McCook Community College. Olsen enters his sixteenth year overall as a junior college head coach. Olsen was the first head coach in MCC history in 2002, then had a five-year stint at Independence Community College in Independence, KS before returning in the summer of 2007 to take over the Indians program again.

Coach Olsen, a McCook native, graduated from McCook high school in 1995. Following graduation he played two years of junior college baseball in Kansas. After graduating with his A.A. from Colby, Olsen transferred to Wheaton College in Wheaton, IL, where he completed his baseball eligibility and graduated in the fall of 1999 with a B.S. in Kinesiology. Olsen stayed on in the spring of 2000 as an assistant coach at Wheaton, then in 2000–2001 Coach Olsen went back to Colby and spent one year as an assistant there. Olsen also spent six seasons as the head coach in the McCook American Legion Baseball program in the summers from 1997 to 2002. Olsen completed his Master's degree in Health, PE and Recreation from Emporia State University.

Coach Olsen was hired in the spring of 2001 to start the baseball program at McCook Community College. After one season as the Indians head coach, Olsen was hired to take over the head coaching position at Independence Community College. Olsen built the Pirates into a program that consistently competed for a top spot in the highly competitive Jayhawk East. In his first season as Pirates head coach, Olsen led the Pirates to their first winning season in school history and was named the 2003 Jayhawk East coach of the year. Olsen's final two recruiting classes in Kansas produced three Major League Baseball draft picks. In 2007 Josh Beal was drafted by the Cincinnati Reds, in 2008 Jon Nagel by the Chicago Cubs, and in 2009 Justin Beal by the Philadelphia Phillies.

In July of 2007, Coach Olsen happily accepted the head coaching position at McCook Community College. In 2010 Olsen guided the Indians to their best season in school history, which included setting the school record for wins, and the Indians first trip to the Region playoff under the new format. Olsen is excited for his tenth year at MCC and hopes the Indians can make a push towards McCook's first Region IX title. The Indians look to improve on their 3rd place region finish in 2016, the highest in school history, and finished the season with an extra inning loss in the region semi-final and a game away from a NJCAA Western District Region Tournament appearance for the first time in school history. Olsen also is a full-time Health and PE instructor and athletic director at MCC. Olsen and his wife Nicole reside in McCook.

Patrick Morey
Assistant Baseball Coach
Sports Information
Coordinator

Patrick Morey has entered his 3rd season as an assistant coach for McCook Community College in 2016–17. Coach Morey handles the pitching staff and infielders, while still helping with the hitters, along with coordinating MCC's recruiting efforts. During his first year as MCC's hitting coach, the Indians posted the top 3 single season batting averages in school history; and in his second year Coach Morey oversaw the MCC pitching staff strike out 407 batters to set a new high mark in school history, as well as setting the top 2 spots on the individual pitching strikeout list (Adams 97; Christiansen 83)

Patrick came to McCook from Mount Michael Benedictine High School in Elkhorn, NE, where he served as Co-Head Coach. While at Mount Michael, Coach Morey helped lead the Knights to 2 State Tournaments, including a 2013 Runner-up finish. After a highly decorated playing career at Hastings College, Coach Morey joined the Broncos coaching staff as the Pitching Coach. During his time with HC, Patrick helped lead the Broncos to the 2011 GPAC Championship, as well as having 4 pitchers selected with All-GPAC honors over his 2 years.

During his playing career, Coach Morey was honored with 2 Gold Glove selections as well as the 2008 All-GPAC Relief Pitcher. Morey finished his career in the top ten all time in multiple hitting and pitching categories and is the all time leader in Sacrifice Fly's.

ADOPT-AN-ATHLETE PROGRAM 2016-2017

The MCC Indians Booster Club and the MCC athletic department are pleased to announce the families who are participating in the Adopt-An-Athlete program this year. These local families provide the student/athletes with the opportunity to become more easily adjusted to the community of McCook, which will help them perform better in the classroom and in their sports. The families invite the student/athletes to their homes for an occasional meal and time away from the dorm. This program offers the opportunity for local families to meet student/athletes at MCC and show them a family environment here in the great town of McCook. (NJCAA rules do apply toward this program!)

WE WOULD LIKE TO RECOGNIZE THE FAMILIES AND THANK THEM FOR PARTICIPATING IN THE 2016-2017 PROGRAM.

The college consistently has between 110 and 140 student/athletes competing in numerous sports for McCook Community College. The MCC sports include Volleyball, Women's Basketball, Softball, Baseball, Golf, and Men's Basketball. Each year the Booster Club looks for 40 to 45 families to participate in this program. If you are interested in being a part of the "Adopt-An-Athlete" program for the 2017-2018 seasons, contact Jordan Johnson at 340-5255 or Diane Ruppert at 345-8754.

Joshua Barnes
HEAD COACH

Josh Barnes, a Potter, Kansas native, played baseball at the University of Saint Mary's in Leavenworth, KS, where he was an Outfielder and Pitcher. During his playing career, Barnes was honored with two KCAC Gold Gloves (2010/2011), a 2nd Team All-KCAC Outfielder (2010), as well as being selected to the All-NAIA Gold Glove team in 2011.

Josh graduated from the University of Saint Mary with a degree in Elementary Education and Sports Management. Coach Barnes is currently working on his Master's of Science in Kinesiology-Sports Management from the University of Central Missouri. Prior to MCC, Coach was a 5th grade teacher for four years at Fort Leavenworth, KS. Josh comes to McCook with his fiancée, Lani Masoner.

"Our goal will always be to have quality student athletes in the classroom, the community, and on the field. I expect us to compete for the Region IX title year-in year-out and make a push to the NJCAA World Series. McCook is a great softball town and has had great recent success here at MCC. I look forward to the challenge of continuing that success through hard work and dedication to MCC and the community."

Lani Masoner
Volunteer
Assistant Coach

Lani Masoner, from Weston, Missouri, is volunteering her time to help out the MCC Softball team this season. She played for four years at the University of Saint Mary in Leavenworth, KS, and was a four year starter in the center field position. Lani will work primarily with the outfielders this year.
