& MCC Indians Boosters, Inc.

ADOPT-A-STUDENT PROGRAM...

The MCC Administration and MCC Indians Boosters are looking for families to adopt MCC students for the 2023-2024 school year. We feel this is a great chance for your family to meet some of the non-local students at the college, and show them a family environment here in the great town of McCook.

As a host family, we ask you to have the students over to your home a few times per month for a meal. NJCAA rules do apply toward this program and are listed beside this section. If interested, please send the completed form and signed waiver to the MCC Indians Boosters. **(NOTE: Requests are completed on a FIRST COME-FIRST SERVE basis, so don't delay in getting your form turned in.)**

WHAT DO YOU GET???

- An opportunity to meet students from around the area and the country and form friendships that could last a lifetime.
- A chance to help the new college students who are away from home for the first time.
- The opportunity to be associated with the non-local students/athletic teams at the college.
- A free athletic pass* to attend home sporting events at both MPCC campuses. (*Pass admits two people)

-The MCC Indians Boosters, Inc. reserve the right to reject Applications, and suspend the program at any time.
