# MCC Indians Boosters, Inc.

On behalf of the MCC Indians Booster Club, I extend a hearty hello and welcome to this McCook Community College Athletic Event! Thank you for taking the time to support our fine student-athletes. The MCC Indians Boosters organization aids the college's athletic programs. We appreciate all of the financial supporters of MCC athletics; from the Dream Team and Banner Club to the Varsity and Team Player supporters, every dollar helps as we try to give the coaches and athletes at MCC the best opportunity to compete, while molding young student-athletes into productive, caring adults. As you enjoy the profiles of our coaches, teams and players in this guide, please take the time to view the list of our generous sponsors and let them know that you are thankful for their assistance to MCC athletics. From the 2014-15 school year, 40 MCC Athletes earned a spot on their respective Academic All Region Teams. All MCC programs were represented with multiple athletes. We are very proud of these accomplishments! Be sure to like us on Facebook and watch the live-streaming videos with Coaches Aid if you are unable to attend in person at the beautiful Peter & Dolores Graff Events Center. GO INDIANS!

2002–2003 – Head Coach –

Coach Jon Olsen is entering his ninth season as head baseball coach at McCook Community College. Olsen enters his fifteenth year overall as a junior college head coach. Olsen was the first head coach in MCC history in 2002 then had a five-year stint at Independence Community College in Independence, KS before returning in the summer of 2007 to take over the Indians program again.

Coach Olsen, a McCook native, graduated from McCook high school in 1995. Following graduation he played two years of junior college baseball in Kansas. After graduating with his A.A. from Colby, Olsen transferred to Wheaton College in Wheaton IL, where he completed his baseball eligibility and graduated in the fall of 1999 with a B.S. in Kinesiology. Olsen stayed on in the spring of 2000 as an assistant coach at Wheaton. In 2000–2001, Coach Olsen went back to Colby and spent one year as an assistant there. Olsen also spent six seasons as the head coach in the McCook American Legion Baseball program in the summers from 1997 to 2002. Olsen completed his Master's degree in Health PE and Recreation from Emporia State University.

Coach Olsen was hired in the spring of 2001 to start the baseball program at McCook Community College. After one season as the Indians head coach, Olsen was hired to take over the head coaching position at Independence Community College in Independence KS. At Independence, Olsen built the Pirates into a program that consistently competed for a top spot in the highly competitive Jayhawk East. In his first season as Pirates head coach, Olsen lead the Pirates to their first winning season in school history and was named the 2003 Jayhawk East coach of the year. Olsen's final two recruiting classes in Kansas produced three Major League Baseball draft picks: in 2007 Josh Beal was drafted by the Cincinnati Reds, in 2008 Jon Nagel went to the Chicago Cubs, and in 2009 Justin Beal went to the Philadelphia Phillies.

In July of 2007 Coach Olsen happily accepted the head coaching position at McCook Community College. In 2010 Olsen guided the Indians to their best season in school history, which included setting the school record for wins, and the Indians first trip to the Region playoff under the new format. Olsen is excited for his eighth year at MCC, and hopes the Indians can make a push towards McCook's first Region IX title. Olsen has been very pleased with the 2015 team on and off the field, "This year's group has had great work ethic at practice, in the weight room and in the classroom, We had an excellent team GPA this past fall, and placed 6 players on the MPCC Dean and President Lists." Olsen also is a full-time Health and PE instructor and athletic director at MCC. Olsen and his wife Nicole reside in McCook.

**Patrick Morey**  
Assistant Baseball Coach  
Sports Information  
Coordinator

Patrick Morey begins his second season as an assistant coach for McCook Community College. Patrick will work primarily with the Indians' pitchers, along with coordinating MCC's recruiting efforts.

Patrick came to McCook from Mount Michael Benedictine High School in Elkhorn, NE, where he served as Co-Head Coach. While at Mount Michael, Coach Morey helped lead the Knights to 2 State Tournaments, including a 2013 Runner-up finish. After a highly decorated playing career at Hastings College, Coach Morey joined the Broncos coaching staff as the Pitching Coach. During his time with HC, Patrick helped lead the Broncos to the 2011 GPAC Championship, as well as 4 pitchers being selected with All-GPAC honors over 2 years.

During his playing career, Coach Morey was honored with 2 Gold Glove selections as well as the 2008 All-GPAC Relief Pitcher. Morey finished his career in the top ten all time in multiple hitting and pitching categories and is the all time leader in Sacrifice Flies.

# ADOPT-AN-ATHLETE PROGRAM

## 2015-2016

The MCC Indians Booster Club and the MCC athletic department are pleased to announce the families who are participating in the Adopt-An-Athlete program this year. These local families provide the student/athletes with the opportunity to become more easily adjusted to the community of McCook, which will help them perform better in the classroom and in their sports. The families invite the student/athletes to their homes for an occasional meal when the cafeteria is closed. This program offers a great chance for the families to meet some of the student/athletes at the college and show them a family environment here in the great town of McCook.

**We would like to recognize these families and thank them for participating in this exciting program.**

The college consistently has between 110 and 140 student/athletes competing in numerous sports for McCook Community College. The MCC sports include Volleyball, Women's Basketball, Softball, Baseball, Golf, and Men's Basketball. Each year the Booster Club looks for 35 to 40 families to participate in this program. If you are interested in being a part of the "Adopt-An-Athlete" program for the 2016-2017 seasons, contact Sherri Stang at 345-4240 or Rebecca Vosburg at 345-8920.
